

## Accessing Your Google NHPS Account

Go To: **gmail.com**

Username:  
**studentID#@nhps.net**

Password:

If you have used this account and know your password, continue using it. If you don't know your password try:

**password1**

If this does not work email

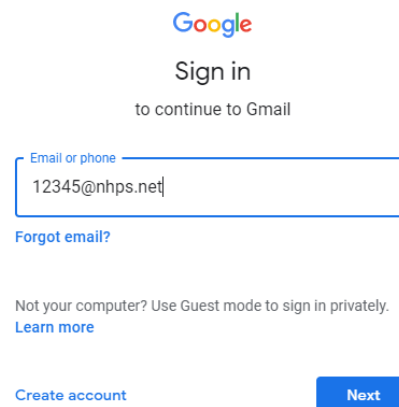

**metbuslibrary@gmail.com** for a reset.

Include your name and student ID in the email.

Within 12 hours, your account will be reset and the temporary password will be

**password1**. After logging in the first time, you will be prompted to change your password. Please record it somewhere because you will be using this for your courses. If you have trouble with your account, please email

**metbuslibrary@gmail.com.**
